

# CALIFORNIA GIRLS - THE BEACH BOYS

INTRO

VERSE

Well East coast girls are hip, I really dig those styles they wear  
And the Southern girls with the way they talk  
They knock me out when I'm down there  
The midwest farmers daughters really make you feel alright  
And the northern girls with the way they kiss  
They keep their boyfriends warm at night

CHORUS

I wish they all could be California girls  
I wish they all could be California  
I wish they all could be California girls

VERSE

The West coast has the sunshine and the girls all get so tanned  
I dig a French bikini on Hawaiiin island dolls  
By a palm tree in the sand

I've been all around this great big world And I've seen all kinds of girls  
Yeah but I couldn't wait to get back in the states  
Back to the cutest girls in the world

CHORUS
