E A  
I've never seen you look like this without a reason  
E A- F#m- A- B-  
Another promise fallen through another season passes by you

B--- A--- F#m---

I never took the smile away from anybody's face  
And that's a desperate way to look for someone who is still a child

## CHORUS

C#m E A B C#m  
In a big country dreams stay with you  
E C#m E B--- A---  
Like a lovers voice from the mountain side  
F#m--- E--- F#m---  
Stay alive

## INTERLUDE

E A  
I thought that pain and truth were things that really mattered  
C#m F#m E  
But you can't stay here with every single hope you shattered

## VERSE

I'm not expecting to grow flowers in the desert  
But I can live and breathe and see the sun in winter time.

## CHORUS

## CHORUS

BREAK E--- A--- C#m--- F#--- , then repeat

So take that look out of here it doesn't fit you  
Because it's happened doesn't mean you've been discarded  
Pull up your head off the floor come up screaming  
Cry out for everything you ever might have wanted  
I thought that pain and truth were things that really mattered

## VERSE

I'm not expecting to grow flowers in the desert  
But I can live and breathe and see the sun in winter time.
